Subject: Yes - Microsoft Settlement

To: The U.S. Department of Justice
Antitrust Division

We are writing to be counted among the many American citizens who are asking for a quick and fair settlement in the lawsuit against Microsoft.

We have followed this case closely and believe that the CURRENTLY PROPOSED SETTLEMENT addresses the legitimate findings of the Appeals Court.

Further delay and/or punitive action would undermine not only our economy, but the underpinnings of jurisprudence.
Please settle now.

Thank you,

Daniel and Susan Secrist
